# BUCKAROO STAFF

ASSISTANT EDITOR

This has been an exciting and wonderful year for all the students of Buckaroo Land. It was, of course, impossible to show each individual's "special" memory in photography, but we hope that through our selections that many of them have been captured for you to enjoy in the years to come. Our grateful thanks are extended to the many people who have helped us with your 1962-63 annual, especially to our sponsor, Mrs. E. R. Maxwell. The splendid cooperation of the faculty added much to the efforts made by our staff. To Mr. Hammer and Mr. Homme, our much lauded praise for their photography. This is best expressed simply, "A job well done!"

Our main goal has been to edit a yearbook that you will cherish as an old friend. It has been fun, but also a worth while experience. So to you, the student body, we present to you, your 1963 BUCKAROO.

As Confucious might have said, "Good times come to an end, but memories are forever."

The Student Council is composed of the President of the Student Association and the presidents of all the homerooms. All officers except the president, who is elected by the student body, are elected by the council. The principal must approve all business acted upon by the group. The council meets only when there is business to be discussed, at which time the president gets the permission of the principal to call a meeting. This organization promotes relations with other schools through correspondence. There are many special projects during the year such as being in charge of concession at basketball games, helping plan assemblies, helping with homecoming, and conducting daily morning devotionals.

Each member is presented a gold Student Council pen at the end of the year.

# Classes

Four hundred twenty-eight students make up the classes of Breck High. It is not the size of the enrollment which speaks for the school - it is its accomplishments. We are well-known all over the state for our outstanding activity in sports, Interscholastic League, the various clubs, and individual scholastic honors.

Breckenridge is proud of its high school students.

The Junior Class is greatly indebted to Mrs. Jack Sullivan and Mrs. R. A. Moore for their guidance and patience in the directing of the Junior Class's various activities. The main project of the Junior Class is the planning of the Junior-Senior Banquet. The banquet and other events of the year would not be possible without the hard work of Mrs. Sullivan and Mrs. Moore. Mr. Jackson, the other homeroom sponsor, greatly aids the Junior Class.

# O R G A N I Z A T I O N S

For those students who like to participate in extracurricular activities, Breckenridge High School has much to offer. Students with special talents or interests join one or two of the many clubs. An impressive number of students go on to compete and excel in the Interscholastic League contests.

The Breckenridge High School Band is one of the more active organizations in B. H. S. After its foundation in 1911, the Band began to compile its long history of awards for the school. New uniforms have added to the grand beauty of our 4 piece Band this year. Under the able direction of Mr. Delaney, the Band participates in half time shows, parades, parties, and contests. Twelve members of the Breckenridge Band made the First and Second All District Bands earlier in the year.

Mr. Delaney is shown preparing a tape to be played on the Band's new Webcor Tape Recorder.

Dear Deb,

You know how much fun we've had and how much closer we've gotten together, so I don't know what to say except you're the best friend any girl (or guy) could have.

This year has been great and I know all the other years will be as some! I hope we will get to go to our little lake cabin (with the little mice) this summer and have as much fun as we did last summer.

It's always the best of friends and have as much fun we have had our freshman year. Just think, we'll be sophomores! Won't that be fun! I can't go on writing something this mushy stuff without someone thinking I'm (a) (?) crazy!

Truly, you'll always be thought as my best friend.

Always a friend,  
Janette
